

## Make Your Money Count

### Brown Trading Stamps

Are Local—Permanent Guaranteed

Don't confuse them with others. We have no connection with any other Trading Stamp or Coupon system. BROWN STAMPS ARE GUARANTEED BY Wm. R. Zollinger & Co., and the Klein & Heffelman Co., and will always be here. Brown Stamps are the only reliable discount system ever issued in Canton.

Patronize the Merchants who give Brown Stamps—it means a discount to you on the money you spend.

## MISSING WORD CONTEST

By Oscar Austill Elwood, Indiana.

### Young Men's Tailoring

We offer young men the services of our skilled designers and best workmen—of our entire organization—in the production of garments that shall be individual without being identified with the innate bizzarries of ready-made.

We show fabrics that cannot be found anywhere else; all the latest fashion plates—for what they are worth; and we make to order at prices that positively cannot be duplicated anywhere else. In all the land—neither by good tailor ready-made or irrefragable cheap tailor.

**OVERCOATS \$16 to \$30**  
**RAINCOATS \$10 to \$15**  
**MADE TO YOUR ORDER**  
\$30 Suit \$20 \$35 Suit \$25  
\$40 Suit \$30

**Douglas, The Tailor**  
Originator of the Concave Shoulder and Unbreakable Front.  
124 N. Market St. "On the Square."

### CONDITIONS OF CONTEST

In several of the advertisements on this page there has been a word left out purposely. Read each ad carefully and see if you can find the missing words.

To the first person who finds these and brings or sends them to the News office we will give one dollar in cash. This money is now on exhibition in the store of The Hickey Co. clothiers.

Contestants can indicate on this sheet where words are missing, and what words, and write name and address on margin, and place name in envelope for "Missing Word Contest." Only one list of missing words can be submitted by the same person. No answers will be received by telephone.

No answers will be received before 9:00 o'clock Saturday morning. For winner see last page.
